DON'T SUFFER

LONGER WITH
RHEUMATISM OR NEURALGIA

Mr. M. C. Wain, Assistant Cashier Merchants' National Bank, Toledo, O., says:
"My little girl was cured of Rheumatism and Neuralgia about three months ago by the use of Athlophoros. I recommend it to all suffering with these diseases."

No medicine has ever been discovered that so quickly and surely cures these diseases as

ATHLOPHOROS

W. K. Smith, Kankakee, Ill., says:
"My wife has suffered with Rheumatism and Neuralgia for fifteen years. Athlophoros is the first medicine that ever gave her any relief. She has now been cured and is able to do all her usual work. I have not a doubt but that it is a God send."

I. T. Smith, 104 Washington Street, Chicago, says:

"I have suffered with Rheumatism for five years. After using 30 bottles of Athlophoros, I am entirely free from all pain."

If you cannot get Athlophoros of your drug store, we will send it express paid, on receipt of regular price—one dollar per bottle. We prefer that you buy it from your druggist, but if it does not, it is not to be persuaded to try something else, but order at once from us, as directed.

ACHES & PAINS!

"I ache all over!" What a common expression; and how much it means to many a poor sufferer! These aches have a cause, and more frequently than is generally suspected, the cause is the Liver or Kidneys. No disease is more painful or serious than these, and no remedy is so prompt and effective as

MISHLER'S HERB BITTERS.

This remedy has yet been discovered. It is so effective in all kidney and liver complaints, MALARIA, DYSPEPSIA, etc., and yet it is simple and harmless. Science and medical skill have combined with wonderful success these herbs which nature has provided for the cure of disease. It strengthens and invigorates the whole system.

See, therefore, the distinguished endorsement, one wrote to a fellow sufferer who was suffering from indigestion and kidney disease: "Try Mischler's Herb Bitters, I believe it will cure you. I have used it with the most successful results, and it is the most wonderful combination of medicinal herbs I ever saw."

OFFICIAL PAPER COUNTY AND CITY.

The state prison south was self-sustaining during the quarter ending October 31. The receipts were \$17,684.73; expenditures, \$18,675.04.

Governor Hendricks has accepted an invitation to deliver the annual address before the Yale alumni and graduating class, at New Haven, Ct., in June next.

INDIANAPOLIS News: "The costs in the Blaine-Sentinel law case amounted to \$106.07, which have been paid by the plaintiff's attorneys. The costs in the chancery case were only \$22.18.

BRADSTREET reports that men have been thrown out of employment in Indiana towns as follows: Indianapolis, 2,000; Evansville, 240; Liberty, 125; Milton, 150; Madison, 400; Richmond, 600; Laporte, 250; South Bend, 1,200; and in other towns in smaller numbers. The estimate for the entire state is 6,345. The prospect for trade is reported at most points in the state as fair.

Governor Porter, in his forthcoming message to the legislature, will repeat the recommendation he has previously made that a law be enacted authorizing the appointment of a board of commissioners whose duty it shall be to visit and inspect the jails and penitentiaries, with a view of inquiring into the methods of conducting them, and correcting any abuses that may be found to exist.

Gen. Grant is described as being sick and discouraged and in very close financial circumstances. W. H. Vanderbilt who holds a judgment against him amounting with interest to \$150,000 has had an execution issued but agrees to accept \$100,000 in payment of the claim. An effort has been made to raise this amount among his rich friends. Gen. Grant will not suffer no difference what may befall him. No president ever received as many presents as did he and besides he still continues to draw the interest on the \$250,000 fund raised some time ago by personal contributions and which cannot be touched. So, all things considered, while our sympathies are with the general in his misfortune, as they are with every man in distress, it does seem that he will be able to eke out a respectable living and that the poor house is a long way off.

Monroeville Items.

Correspondence of The Sentinel.

Miss Maggie Connolly has returned from a visit to friends at Springfield, Ohio.

Our ice men put in two solid days work last week. About 100 tons were stowed away.

Frank Belmont, formerly a barber of this place, now of Alliance, Ohio, is spending the holidays in this village with friends. Frank has a special attraction here but we will not give him away.

Henry Hunsicker and wife of Bluffton, Ind., are visiting his parents, Mr. and Mrs. G. C. Hunsicker, at this place.

D. S. Redelsheimer intends lighting his mammoth store room with gas next spring.

Henry Hoffman is preparing to erect a beautiful brick residence on his farm, three miles west of this place.

Miss Rosa Cole, of Fort Wayne, is spending the holidays with relatives and friends at this place.

Henry Kettie, a dashing young man of Troy, Ohio, is spending a few days here with friends.

A number of fine dwellings will be erected here next spring.

The many friends of Mr. Thomas McMahon will be sorry to learn that he is no better.

Hay is now being baled and shipped from this place. Hay finds a ready market here.

The Monroe Brothers have purchased the privilege of taking the oak timber from a piece of land near Liberty, paying therefor \$80 per acre. The trees will be worked into ship timber and shipped to Liverpool, England.

The ball given on Christmas night at Heller's hall was largely attended. The managers of the concern realized a snug profit. Christ Flaug's orchestra, one of the best organized musical companies, furnished the music for the occasion.

Eight of Decatur's fine young men, whose memory we will retain, spent Christmas night at this place, but as our belles gave them the slip it is doubtful if they will ever repeat their visit to this place.

John Connolly, of Springfield, Ohio, is visiting his brother, Dr. W. A. Connolly.

The Christmas dinner and supper given by the ladies of the Lutheran church, at the L. O. O. F. hall was well patronized. Each and every one seemed to highly enjoy the occasion. Many from abroad participated.

Miss Flora Heller, daughter of Recorder Heller, spent Christmas in the city. The public schools at this place are taking a two week's vacation. W. S. Walker, the principal, and his lady are visiting at Richmond, Ind.

It is now definitely known that John Cragan, the man who is missing since the election and who was supposed to have been foully dealt with, ran away on his own accord. John was a fruit tree agent and possessed the quality of a slick tongue. Finally John proposed to a widow by the name of Mrs. Dugan who owns a small farm and a comfortable home. The lady accepted and they were married. Things ran smoothly until John's little business was beyond his reach. The kind lady consented to place her little property under mortgage, and \$300 was secured from a loan association of Fort Wayne, to settle the little difficulty between John and the fruit tree firm. The time of payment of the \$300 debt is up and hence the runaway. Sheriff Nelson had been notified to look up the man as it was supposed by Mrs. Cragan that he had been murdered for his money, near Paulding, Ohio, where he was last seen. John has numerous creditors at this place and they will mourn when they read this notice.

SANTA CLAUS.

GOSWELL, Dec. 29, 1884.

Is your system running down? Is there a feeling of despondence taking possession of you? Are the functions of your digestive and urinary organs impaired? Is your blood bad? Do sores and pimples trouble you? Do you suffer from aches and pains? Do you weak and does the least exertion give you fatigue? Beware! Regain perfect health by using Dr. Gray's Yellow Dock and Sarsaparilla.

The Rev. Dr. Joseph R. Page, one of the best known Presbyterian clergymen in Central New York, fell dead in Rochester yesterday.

The question "Who are you going to vote for?" is uppermost in all minds at election time. It is very important that the nation should have a capable chief magistrate, but it is of infinitely greater importance that the people over whom he is called to preside should be a strong, healthy, and vigorous race. The use of Mischler's Herb Bitters in all cases of dyspepsia, liver and kidney complaints, and diseases of the stomach, has been found invaluable in restoring shattered health.

Mr. Gosse, poet and scholar, now lecturing in this country, never went to school or college, his mother having been his only teacher.

Every day adds to the great amount of evidence as to the curative powers of Hood's Sarsaparilla. Letters are continually being received from all sections of the country, telling of benefits derived from this great medicine. It is unequalled for general debility, and as a blood purifier, expelling every trace of scrofula or other impurity. Now is the time to take it. Made by C. I. Hood & Co., Lowell, Mass. Sold by all druggists.

The Fletcher Electric Belt.

The Electric Belt, invented by Fletcher, which has made such a great reputation in the east, is now sold in Fort Wayne by Meyer Bros. & Co., and Dreier & Bro. As a cure for the weak, nervous, pains and organic diseases it has made a revolution in medical science. See it and get an illustrated circular. Sept. 15-daily

WHITE SEAL BURNING OIL

The New York board of health estimates that 50,000 lives have been destroyed by the explosive qualities of petroleum. If every household would adopt the White Seal oil for family use, none of these unfortunate accidents would occur.

WHITE SEAL BURNING OIL has none of the defects usually found in common oils. It cannot be exploded, does not odor the wick, will not smoke, emits no offensive odor, and prevents the breaking of chimneys.

WHITE SEAL BURNING OIL is a rich oil for illuminating purposes. It is as light in color as pure water. It gives a strong steady light, and burns much longer than common oils.

If the oil is not sold in your vicinity, send your order direct to us for a barrel or a case containing two five gallon cans.

City Clerk Rockhill and Treasurer Berghoff are checking off the delinquent tax payers. The treasurer is now ready to receive taxes, although the law gives until April to pay them. Deputy Sheriff Edsall pleaded a case before Justice Lindsey at Leo, yesterday. Two prominent merchants of this city were in attendance on the trial. While dining in the rural hamlet a hideous joke was perpetrated on one of the merchants, named L. He took copious draughts of coffee "sweetened" with salt. The merchant was in a strange house and swallowed the drink without a murmur, although it nearly killed him.

The Fort Wayne National bank has been reorganized under the name of the "Old National Bank of Fort Wayne." A few eastern capitalists were bought out by local money kings. Bob McDonald, of the "Home," has a letter from Indianapolis, saying that Charles Carney, clerk at the Denison hotel, Indianapolis, has tendered his resignation, in order to accept a similar position with the Weddell house, at Cleveland. It will take effect January 15.

The withdrawal of Claude Charon, who has been book-keeper at the Denison for five years, is also announced. Their successors have not been named.

Chief Dehl called the police commissioners together last night and preferred charges against Officer Palmer, whom Lieut. Frank Wilkinson found sound asleep in the Pittsburg railroad watch house, on Broadway. Mr. Palmer was dismissed from the service and Stephen Fletcher, long a driver for the Adams Express company, was selected to fill the place. Mr. Fletcher is a fine specimen of a man, stands over six feet in height, and will make a splendid police officer.

"No, I am not going to keep open house," said a young lady snappishly to THE SENTINEL society man. "The boys don't deserve it. They have been too independent for the last year. They have neglected society, and in many instances have not treated the young ladies even respectably. Occasionally they make a call, but they act as if they were conferring a great favor when they come around. We don't propose to fill them up New Year's Day and receive nothing in return but their patronizing airs."

Last year upon invitation of the Grand Rapids and Indiana railroad the Ohio wholesale and retail lumber dealers' association visited Michigan, spending several days in Grand Rapids, Big Rapids, Cadillac, and other places. The pecuniary benefits derived from the visit has induced the lumbermen of the towns named to extend a second invitation to these gentlemen. The lumbermen of the Saginaw valley will invite them to their towns, as well. En route north the lumber kings will stop here and Will McKinnis will spread plates for 100 guests.

The conductors on the Wabash road are thoroughly disgusted with the "cheeking" lumberbuggery. It now requires twice the length of time formerly consumed in the collection of fares, and on local trains they are unable to reach all the passengers. Shrewd fellows who wish to travel but one station now take a seat in the rear coach, and as the conductor cannot get to them in season to take their fares they secure free transportation. The whole system is simply absurd, and it is only a question of a very brief period until it will be abandoned.

For scrofula, syphilis disorders, thin and watery blood, sluggish liver (indicated by poor digestion), weak kidneys, (indicated by urinary sediments), diseased mucous membrane, (indicated by both nasal and urinary catarrh, inflamed eyelids, etc.), use Dr. Guyot's Yellow Dock and Sarsaparilla.
